Maria Muldaur and Electric Rubyfish Appearing Live at The Falcon for a CD Release Celebration

Maria Muldaur and **Electric Rubyfish** take the stage at **The Falcon** in Marlboro, NY on **Thursday, July 19th at 7pm**. Taking a small detour from promoting her own CD 'Steady Love,' Maria joins Electric Rubyfish as they celebrate the release of their new CD '*Willing Hearts*' which also features Ms. Muldaur on several tracks.

Maria Muldaur is best known world wide for her '74 mega-hit '*Midnight at the Oasis,*' which received several Grammy nominations, and enshrined her forever in the hearts of Baby Boomers everywhere. Despite her considerable Pop Music success, her 49-year career could best be described as a long and adventurous odyssey through the various forms of American Roots Music. Her timely 2008 album, '*Yes We Can!*' featured songs from some of the most socially conscious songwriters of the past half century: *Bob Dylan, Marvin Gaye, Allen Toussaint, Garth Brooks* and others, and featured her "*Women's Voices for Peace Choir,*" which included: *Bonnie Raitt, Joan, Baez, Jane Fonda, Odetta, Phoebe Snow, Holly Near* and others.

Electric Rubyfish is an Independent (Indie) Rock band based in the Hudson Valley. Their music is a blend of Rock, Folk, with Jazz undertones. Electric Rubyfish has released four CDs to date, and have appeared in venues from *BB King Blues Club and Grill* to opening for *Jefferson Starship* at the Bearsville Theater in Woodstock, NY. They're celebrating their fourth CD release '*Willing Hearts*'

Electric Rubyfish will open the show at **The Falcon** to get things started. Maria will join them on stage for a few numbers during their opening set. The show continues as Maria brings her own ensemble the **Red Hot Bluesiana Band** to the stage for this evening of great entertainment. **Maria Muldaur** is available for interviews.
